Meet CSSSA's Counselors

E118 + E129

Welcome, everyone! CSSSA is an experience filled with invitations to continue exploring in the journey of art making among peers that also bring diverse stories. As exciting as this prospect is, it can be challenging to focus only on enthusiasm while missing familiar environments, family and friends. Additionally, we're all trying to make sense of transitioning out of an exhausting pandemic. This is a lot to carry with us in our bodies. This tension may show up as homesickness, difficulty connecting with classmates, and plain tapping into our spark! Please know that support is here for you to squeeze the juices out of this creative adventure. We also work with artists here at CalArts, so your experiences are more than welcome in our conversations. Be well!
